

KICKER® KMC2 MEDIA CENTER USER INFORMATION | INFORMACION DEL USUARIO INFORMATIONS DE L'UTILISATEUR | NUTZERINFORMATION

Thank you and congratulations on your purchase of the KICKER KMC2 Media Center! The KMC-Series are an absolute must-have for any music enthusiast or audiophile who loves the open water. With features like Bluetooth, USB playback with native support for the most popular audio formats, remote control support, and a nearly infinite number of ways to upgrade and enhance your audio system, you'll wonder how you ever got by with stock marine audio in the first place! Complete your system with KICKER Marine amplifiers, subwoofers, speakers, and towers for an unrivaled marine audio experience.

Sincerely
Steve Irby
President/CEO

Merci et félicitations pour votre achat du centre multimédias KMC2 KICKER ! La gamme KMC propose des produits indispensables pour tout passionné de musique ou audiophile aimant la pleine mer. Avec des fonctions comme Bluetooth, lecture USB avec la prise en charge native des formats audio les plus courants, la prise en charge du contrôle à distance, et une quasi-infinité de moyens de mettre à niveau et d'améliorer votre système audio, vous vous demanderez comment vous avez pu vous satisfaire de votre système audio maritime actuel jusqu'à présent ! Complétez votre système avec les amplificateurs, subwoofers, haut-parleurs et tours maritimes KICKER pour une expérience audio en mer sans égale.

Cordialement,
Steve Irby
Président/PDG

¡Gracias y felicitaciones por su compra del centro multimedia KMC2 de KICKER! La serie KMC es imprescindible para cualquier audiófilo o amante de la música que adora el mar abierto. Con funciones como Bluetooth, reproducción USB con soporte para la mayoría de los formatos de audio populares, soporte de control remoto, y un número casi infinito de formas para actualizar y mejorar su sistema de audio, ¡le asombrará cómo ha vivido sin un sistema almacenamiento de audio marino en primer lugar! Complete su sistema con los amplificadores marinos, subwoofers, altavoces y torres de KICKER para una experiencia de audio marino inigualable.

Atentamente,
Steve Irby
Presidente/CEO

Vielen Dank und herzlichen Glückwunsch zum Kauf des KICKER KMC2 Media Center! Die KMC-Serie ist ein absolutes Must-Have für jeden Musikliebhaber oder Audiophilen, der das offene Wasser liebt. Mit Funktionen wie Bluetooth, USB-Wiedergabe mit nativer Unterstützung für die gängigsten Audioformate, Fernsteuerungsunterstützung und einer fast unendlichen Anzahl von Möglichkeiten, Ihr Audiosystem aufzurüsten und zu verbessern, werden Sie sich fragen, wie Sie überhaupt mit gewöhnlicher Marine-Audio auskommen konnten! Vervollständigen Sie Ihr System mit KICKER Marine-Verstärkern, Subwoofern, Lautsprechern und Tower für ein unvergleichliches marines Klangerlebnis.

Mit freundlichen Grüßen
Steve Irby
President/CEO

Selecting a Source & Pairing | Selección de una fuente y emparejamiento Sélection d'une source et appairage | Auswählen einer Quelle und eines Pairings

Use the SOURCE button to choose the input source for the KMC2: FM, AM, Bluetooth, USB or AUX.

The KMC2 will automatically enter Bluetooth pairing mode when there is no Bluetooth connection, identifying as "KMC KICKER" to your audio device. You may also select "BT PAIR" from the menu to enter pairing mode.

Utilice el botón MODO para seleccionar la fuente de entrada para el KMC2: FM, AM, Bluetooth, USB, y AUX.

El KMC2 ingresará automáticamente al modo de emparejamiento Bluetooth cuando no haya conexión Bluetooth, identificándose como "KMC KICKER" a su dispositivo de audio. También puede seleccionar "BT PAIR" en el menú para ingresar al modo de emparejamiento.

Utilisez la touche MODE pour choisir la source d'entrée pour le KMC2 : FM, AM, Bluetooth, USB, ou AUX.

Le KMC2 entrera automatiquement en mode d'appairage Bluetooth lorsqu'il n'y a pas de connexion Bluetooth, s'identifiant comme «KMC KICKER» à votre appareil audio. Vous pouvez également sélectionner «BT PAIR» dans le menu pour accéder au mode de couplage.

Wählen Sie die Eingangsquelle für den KMC2 mit der MODE-Taste aus: FM, AM, Bluetooth, USB, oder AUX.

Der KMC2 wechselt automatisch in den Bluetooth-Pairing-Modus, wenn keine Bluetooth-Verbindung besteht, und identifiziert sich als "KMC KICKER" für Ihr Audiogerät. Sie können auch "BT PAIR" im Menü auswählen, um den Pairing-Modus aufzurufen.

NOTE: Use short and long presses to operate. Some input sources do not support all functions.

NOTA: Para operar, presione durante tiempos cortos y prolongados. Algunas fuentes de entrada no admiten todas las funciones.

REMARQUE : appuyer de façon rapide ou prolongée pour utiliser. Certaines sources d'entrée ne prennent pas en charge toutes les fonctions.

HINWEIS: Betrieb mit kurzem und längerem Tastendruck. Bestimmte Eingangsquellen unterstützen nicht alle Funktionen.

FCC Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC Statement

This device complies with FCC radiation exposure limits set forth for an uncontrolled environment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Caution! Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

IC Notice - CAN ICES-3 (B) - This device complies with Industry Canada's licence-exempt RSSs. Operation is subject to the following two conditions:

(1) This device may not cause interference; and (2) This device must accept any interference, including interference that may cause undesired operation of the device.

Avis d'Industrie Canada - Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :

(1) l'appareil ne doit pas produire de brouillage; (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement. mauvais fonctionnement de l'appareil.

Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada. CAN NMB-3 (B)

The device meets the exemption from the routine evaluation limits in section 2.5 of RSS 102 and compliance with RSS-102 RF exposure, users can obtain Canadian information on RF exposure and compliance.

Le dispositif rencontre l'exemption des limites courantes d'évaluation dans la section 2.5 de RSS 102 et la conformité à l'exposition de RSS-102 rf, utilisateurs peut obtenir l'information canadienne sur l'exposition et la conformité de rf.

Authorized KICKER Dealer: _____

Purchase Date: _____

Serial Number: _____

Be careful not to drill into wiring or vehicle mechanisms. You are solely responsible for securely mounting the KMC2 Media Center. See page 2–3 for mounting hole cutout template.

Before installation, you may wish to plan your placement of the USB and Auxiliary inputs, and the optional KRC12 remote (sold separately), for both convenience and looks!

With a KICKER KXM amplifier, a pair of KICKER KM speakers, and a few KICKER cables, you're looking at a full system upgrade that will dominate! KICKER amplifiers and accessories make upgrading a snap. Ask your dealer about KICKER amplifiers and speaker upgrades to complete your system!

All specifications and performance figures are subject to change. Please visit **www.kicker.com** for the most current information.

WARNING: KICKER products are capable of producing sound levels that can permanently damage your hearing! Turning up a system to a level that has audible distortion is more damaging to your ears than listening to an undistorted system at the same volume level. The threshold of pain is always an indicator that the sound level is too loud and may permanently damage your hearing. Please use common sense when controlling volume.

OVERVIEW

NOTE: use short and long presses to operate. Some input sources do not support all functions.

INSTALLATION

1. Attach threaded bolts to the back of the KMC2

2. Position the mounting bracket over the bolts.

3. Place washers over bolts and securely attach nuts.

4. Depending on the size of your mounting baffle, you may need to snap off one or more of the metal tabs from the mounting bracket to accommodate installation.

OPERATION

Playback

Use the **SOURCE** button to choose the input source for the KMC2: FM, AM, Bluetooth, USB, or AUX.

When Bluetooth is selected as the input source, the KMC2 will automatically enter Bluetooth pairing mode if there is no previous Bluetooth connection, identifying as "KMC KICKER" to your audio device. You may also select "BT PAIR" from the menu to enter pairing mode. While in pairing mode, the Bluetooth icon will flash. When successfully paired, the Bluetooth icon will become solid.

The USB input source is only available when there is a USB device connected. The KMC2 will automatically switch to USB input when a USB device is connected and detected, with a USB icon. KICKER recommends SANDISK drives for the best performance. In testing, the KMC2 has been shown to work with some HDD's, however, this is *not supported by KICKER!* Drives must be formatted in FAT16 or FAT32 file systems. When in USB playback mode, you can access the RANDOM and REPEAT playback settings by pressing and holding the **PRESETS** button.

To save a preset, tune to the radio station you'd like to save, then hold the **PRESETS** button to enter the saving presets menu. Scroll to the preset number you'd like assigned to that station, then press the knob. You may save 12 AM presets and 18 FM presets.

Device Settings

Press and hold the **MENU** button to enter the Device Settings menu. The available settings are: PAIR, BEEP, LOUD, REG. Use the **VOLUME KNOB** to change the available values for each setting, then press it to confirm the settings. LOUD setting will be applied to the RCA outputs.

BT PAIR - select Bluetooth input source and enter pairing mode

BEEP - select whether the KMC2 responds with beeps

LOUD - select On or Off for a low frequency boost

REG - select USA or EUR for tuner region

FM tuner increments of 200kHz (USA) and 100kHz (EUR)

AM tuner increments of 10kHz (USA) and 9kHz (EUR)

Audio Settings

Press and hold the **VOLUME KNOB** to enter the Audio Settings menu. The available audio settings are: Bass, Treble, Balance, Fader, and EQ. Use the **VOLUME KNOB** to change the available values for each setting, then press it to confirm the settings. Changes to the Bass, Treble, and EQ settings are applied to the RCA outputs.

Bass - adjust the bass level from -7 to +7

Treble - adjust the treble level from -7 to +7

Balance - adjust the balance from Left 7 to Right 7

Fader - adjust the fader from Front 7 to Rear 7

EQ - select between EQ presets: USER, FLAT, CLASS, POP, and ROCK

TROUBLESHOOTING

If your KMC2 does not appear to be working, check the obvious things first such as blown fuses, poor or incorrect wiring connections etc. If you're using an amplifier, check for incorrect setting of crossover switches and gain controls etc.

No Power? ❶ Press and hold the **SOURCE/POWER** button and make sure the KMC2 is turned on. ❷ Check the +12V power wire, ground wire, and fuse(s) for power and proper connection.

No or low output? ❶ Check the balance control on the KMC2. ❷ Check the speaker output connections. ❸ Power cycle the KMC2.

Reduced volume? Reverse a speaker connection from positive to negative on the stereo channel(s); if the volume improves, the speaker was out of phase.

Buttons/Device Unresponsive? Perform Factory reset.

Factory reset: Reset the KMC2 to factory default settings by press and holding the **PLAY/PAUSE** button for ten seconds.

Radio stations not being received? Check the antenna for proper connection and ensure the **REG** setting in the menu is set to the correct region.

Low Voltage: The KMC2 will monitor voltage levels, displaying the battery icon when voltage drops and flashing "LOW BAT". Functions will continue until voltage drops below +10V, then the KMC2 will power off. Ensure there is adequate battery life, as the KMC2 draws power over time.

Bluetooth Pairing Failed: If your audio device will not pair or connect, clear or 'Forget' the KMC2 on your audio device and perform a factory reset of the KMC2.

If you have more questions about the installation or operation of your new KICKER product, see the Authorized KICKER Dealer where you made your purchase. Please E-mail support@kicker.com or call Technical Services (405) 624-8583 for unanswered or specific questions.

ELECTRONICS LIMITED WARRANTY

When purchased from an Authorized KICKER Dealer, KICKER warrants this product to be free from defects in material and workmanship under normal use for a period of TWO (2) YEARS from date of original purchase with receipt. If this product is identified as "Refurbished" or "B Goods", the warranty is limited to a period of THREE (3) MONTHS from the date of original purchase. In all cases you must have the original receipt. Should service be necessary under this warranty for any reason due to manufacturing defect or malfunction during the warranty period, KICKER will repair or replace (at its discretion) the defective merchandise with equivalent merchandise. Warranty replacements may have cosmetic scratches and blemishes. Discontinued products may be replaced with more current equivalent products. This warranty is valid only for the original purchaser and is not extended to owners of the product subsequent to the original purchaser. Any applicable implied warranties are limited in duration to a period of the express warranty as provided herein beginning with the date of the original purchase at retail, and no warranties, whether express or implied, shall apply to this product thereafter. Some states do not allow limitations on implied warranties; therefore, these exclusions may not apply to you. This warranty gives you specific legal rights; however you may have other rights that vary from state to state.

WHAT TO DO IF YOU NEED WARRANTY OR SERVICE:

Defective merchandise should be returned to your local Authorized Stillwater Designs (KICKER) Dealer for warranty service. Assistance in locating an Authorized Dealer can be found at

www.kicker.com or by contacting Stillwater Designs directly. You can confirm that a dealer is authorized by asking to see a current authorized dealer window decal.

If it becomes necessary for you to return defective merchandise directly to Stillwater Designs (KICKER), call the KICKER Customer Service Department at (405) 624-8510 for a Return Merchandise Authorization (RMA) number. Package only the defective items in a package that will prevent shipping damage, and return to:

Stillwater Designs, 3100 North Husband St, Stillwater, OK 74075

The RMA number must be clearly marked on the outside of the package. Please return only defective components. The return of functioning items increases your return freight charges. Non-defective items will be returned freight collect to you. For example, if a subwoofer is defective, only return the defective subwoofer, not the entire enclosure. Include a copy of the original receipt with the purchase date clearly visible, and a "proof-of-purchase" statement listing the Customer's name, Dealer's name and invoice number, and product purchased. Warranty expiration on items without proof-of-purchase will be determined from the type of sale and manufacturing date code. Freight must be prepaid; items sent freight-collect, or COD, will be refused.

WHAT IS NOT COVERED?

This warranty is valid only if the product is used for the purpose for which it was designed. It does not cover:

Damage due to improper installation

Speakers damaged due to amplifier clipping or distortion

Any cost or expense related to the removal or reinstallation of product

Products returned without a Return Merchandise Authorization (RMA) number

Items previously repaired or modified by any unauthorized repair facility

Damage caused by exposure to moisture, excessive heat, chemical cleaners, and/or UV radiation

Damage through negligence, misuse, accident or abuse. Repeated returns for the same damage may be considered abuse

Freight Damage

Return shipping on non-defective items

Products with tampered or missing barcode labels

Products purchased from an UNAUTHORIZED dealer

Subsequent damage to other components

Service performed by anyone other than KICKER

Products with tampered or missing serial numbers

The cost of shipping product to KICKER

HOW LONG WILL IT TAKE?

KICKER strives to maintain a goal of one week turnaround for all electronics (amplifiers, crossovers, equalizers, etc.) returns. Delays may be incurred if lack of replacement inventory or parts is encountered. Failure to follow these steps may void your warranty. Any questions can be directed to the KICKER Customer Service Department at (405) 624-8510. Contact your International KICKER dealer or distributor concerning specific procedures for your country's warranty policies.

INTERNATIONAL WARRANTY

Contact your International Kicker dealer or distributor concerning specific procedures for your country's warranty policies.

Our goods come with guarantees that cannot be excluded under the **Australian Consumer Law**. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

GARANTÍA INTERNACIONAL *Versión Español*

Comuníquese con su concesionario o distribuidor Kicker internacional para obtener información sobre procedimientos específicos relacionados con las normas de garantía de su país.

ADVERTENCIA: Los excitadores Kicker son capaces de producir niveles de sonido que pueden dañar permanentemente el oído. Subir el volumen del sistema hasta un nivel que produzca distorsión es más dañino para el oído que escuchar un sistema sin distorsión al mismo volumen. El dolor es siempre una indicación de que el sonido es muy fuerte y que puede dañar permanentemente el oído. Sea precavido cuando controle el volumen.

La frase "combustible para vivir la vida Livin' Loud™ a todo volumen" se refiere al entusiasmo por la vida que la marca Kicker de estéreos de automóvil representa y a la recomendación a nuestros clientes de que vivan lo mejor posible ("a todo volumen") en todo sentido. La línea de altavoces y amplificadores Kicker es la mejor del mercado de audio de automóviles y por lo tanto representa el "combustible" para vivir a todo volumen en el área de "estéreo de automóvil" de la vida de nuestros clientes. Recomendamos a todos nuestros clientes que obedezcan todas las reglas y reglamentos locales sobre ruido en cuanto a los niveles legales y apropiados de audición fuera del vehículo.

INTERNATIONALE GARANTIE *Deutsche Version*

Nehmen Sie mit Ihren internationalen Kicker-Fachhändler oder Vertrieb Kontakt auf, um Details über die Garantieleistungen in Ihrem Land zu erfahren.

WARNUNG: KICKER-Treiber können einen Schallpegel erzeugen, der zu permanenten Gehörschäden führen kann! Wenn Sie ein System auf einen Pegel stellen, der hörbare Verzerrungen erzeugt, schadet das Ihren Ohren mehr, als ein nicht verzerrtes System auf dem gleichen Lautstärkepegel. Die Schmerzschwelle ist immer eine Anzeige dafür, dass der Schallpegel zu laut ist und zu permanenten Gehörschäden führen kann. Seien Sie bei der Lautstärkeinstellung bitte vernünftig!

Der Slogan "Treibstoff für Livin' Loud" bezieht sich auf die mit den Kicker-Autostereosystemen assoziierte Lebensfreude und die Tatsache, dass wir unsere Kunden ermutigen, in allen Aspekten ihres Lebens nach dem Besten ("Livin' Loud") zu streben. Die Lautsprecher und Verstärker von Kicker sind auf dem Markt für Auto-Soundsysteme führend und stellen somit den "Treibstoff" für das Autostereoerlebnis unserer Kunden dar. Wir empfehlen allen unseren Kunden, sich bezüglich der zugelassenen und passenden Lautstärkepegel außerhalb des Autos an die örtlichen Lärmvorschriften zu halten.

GARANTIE INTERNATIONALE *Version Française*

Pour connaître les procédures propres à la politique de garantie de votre pays, contactez votre revendeur ou distributeur International Kicker.

AVERTISSEMENT: Les haut-parleurs Kicker ont la capacité de produire des niveaux sonores pouvant endommager l'ouïe de façon irréversible ! L'augmentation du volume d'un système jusqu'à un niveau présentant une distorsion audible endommage davantage l'ouïe que l'écoute d'un système sans distorsion au même volume. Le seuil de la douleur est toujours le signe que le niveau sonore est trop élevé et risque d'endommager l'ouïe de façon irréversible. Réglez le volume en faisant preuve de bon sens !

L'expression " carburant pour vivre plein pot " fait référence au dynamisme de la marque Kicker d'équipements audio pour véhicules et a pour but d'encourager nos clients à faire le maximum (" vivre plein pot ") dans tous les aspects de leur vie. Les haut-parleurs et amplificateurs Kicker sont les meilleurs dans le domaine des équipements audio et représentent donc pour nos clients le " carburant pour vivre plein pot " dans l'aspect " installation audio de véhicule " de leur vie. Nous encourageons tous nos clients à respecter toutes les lois et réglementations locales relatives aux niveaux sonores acceptables à l'extérieur des véhicules.
