Thank you and congratulations on your purchase of the KICKER KXMARLC Zone Controller! The KXMARLC features 2 channel input and 8 channel output (4 stereo zones), providing the functionality of a line driver with the abilities of a remote zone volume controller. This means the output signal has double the input voltage, and is hot, clean and ready for any device. The KXMARLC can be mounted to the top or bottom of a surface, or mounted flush with a surface such as in your boat's cockpit. KICKER's audiophile marine line of acoustic and electronic products require the absolute best in accessories and materials and are made with toughness in mind, so you can mount them in your boat or in any application where your music is exposed to the elements. Use this zone controller with any of our KICKER amplifiers for total control of your sound system with the highest signal clarity!

Sincerely,
Steve Irby
President/CEO

Merci et félicitations pour votre achat du contrôleur de zone KICKER KXMARLC ! Le KXMARLC dispose d'une entrée à 2 canaux et d'une sortie à 8 canaux (4 zones stéréo), offrant la fonctionnalité d'un pilote de ligne avec les capacités d'un contrôleur de volume de zone à distance. Cela signifie que le signal de sortie est le double de la tension d'entrée, et chaud, propre et prêt pour n'importe quel appareil. Le KXMARLC peut être monté en haut ou en bas d'une surface, ou monté au ras d'une surface telle que votre tableau de bord. La gamme de produits acoustiques et électroniques marins audiophiles de KICKER nécessite le meilleur en matière d'accessoires et de matériaux et est fabriquée dans un souci de résistance, de sorte que vous pouvez les monter dans votre bateau ou dans toute application où votre musique est exposée aux éléments. Utilisez ce contrôleur de zone avec n'importe lequel de nos amplificateurs KICKER pour un contrôle total de votre système audio avec la plus grande clarté de signal !

Cordialement,
Steve Irby
Président/PDG

CAUTION: KICKER PRODUCTS CAN PRODUCE SOUND LEVELS THAT CAN PERMANENTLY DAMAGE YOUR HEARING! TURNING UP A SYSTEM TO A LEVEL THAT HAS AUDIBLE DISTORTION IS MORE DAMAGING TO YOUR EARS THAN LISTENING TO AN UNDISTORTED SYSTEM AT THE SAME VOLUME LEVEL. THE THRESHOLD OF PAIN IS ALWAYS AN INDICATOR THE SOUND LEVEL IS TOO LOUD AND MAY PERMANENTLY DAMAGE YOUR HEARING. PLEASE USE COMMON SENSE WHEN CONTROLLING VOLUME.

ADVERTENCIA: LOS EXCITADORES KICKER SON CAPACES DE PRODUCIR NIVELES DE SONIDO QUE PUEDEN DAÑAR PERMANENTEMENTE EL OÍDO. SUBIR EL VOLUMEN DEL SISTEMA HASTA UN NIVEL QUE PRODUZCA DISTORSIÓN ES MÁS DAÑINO PARA EL OÍDO QUE ESCUCHAR UN SISTEMA SIN DISTORSIÓN AL MISMO VOLUMEN. EL DOLOR ES SIEMPRE UNA INDICACIÓN DE QUE EL SONIDO ES MUY FUERTE Y QUE PUEDE DAÑAR PERMANENTEMENTE EL OÍDO. SEA PRECAVIDO CUANDO CONTROLE EL VOLUMEN.

AVERTISSEMENT: LES HAUT-PARLEURS KICKER ONT LA CAPACITÉ DE PRODUIRE DES NIVEAUX SONORES POUVANT ENDOMMAGER L'OÛIE DE FAÇON IRRÉVERSIBLE ! L'AUGMENTATION DU VOLUME D'UN SYSTÈME JUSQU'À UN NIVEAU PRÉSENTANT UNE DISTORSION AUDIBLE ENDOMMAGE AVANTAGE L'OÛIE QUE L'ÉCOUTE D'UN SYSTÈME SANS DISTORSION AU MÊME VOLUME. LE SEUIL DE LA DOULEUR EST TOUJOURS LE SIGNE QUE LE NIVEAU SONORE EST TROP ÉLEVÉ ET RISQUE D'ENDOMMAGER L'OÛIE DE FAÇON IRRÉVERSIBLE. RÉGLEZ LE VOLUME EN FAISANT PRÉVUE DE BON SENS !

WARNUNG: KICKER-TREIBER KÖNNEN EINEN SCHALLPEGEL ERZEUGEN, DER ZU PERMANENTEN GEHÖRSCHÄDEN FÜHREN KANN! WENN SIE EIN SYSTEM AUF EINEN PEGEL STELLEN, DER HÖRBARE VERZERRUNGEN ERZEUGT, SCHADET DAS IHREN OHREN MEHR, ALS EIN NICHT VERZERRTES SYSTEM AUF DEM GLEICHEN LAUTSTÄRKEPEGEL. DIE SCHMERZSCHWELLE IST IMMER EINE ANZEIGE DAFÜR, DASS DER SCHALLPEGEL ZU LAUT IST UND ZU PERMANENTEN GEHÖRSCHÄDEN FÜHREN KANN. SEIEN SIE BEI DER LAUTSTÄRKEEINSTELLUNG BITTE VERNÜNFTIG!

¡Gracias y felicitaciones por su compra del controlador de zona KICKER KXMARLC! El KXMARLC cuenta con entrada de 2 canales y salida de 8 canales (4 zonas estéreo), proporcionando la funcionalidad de un controlador de línea con las capacidades de un controlador de volumen de zona remota. Esto significa que la señal de salida es el doble del voltaje de entrada y está caliente, limpia y lista para cualquier dispositivo. El KXMARLC se puede montar en la parte superior o inferior de una superficie, o se puede montar al ras de una superficie, como en su tablero. La línea marina de productos acústicos y electrónicos para audiófilos de KICKER requiere lo mejor en accesorios y materiales, y está hecha pensando en la resistencia, para que pueda montarla en su bote o en cualquier aplicación donde su música esté expuesta a los elementos. ¡Use este controlador de zona con cualquiera de nuestros amplificadores KICKER para un control total de su sistema de sonido con la más alta claridad de señal!

Atentamente,
Steve Irby
Presidente/CEO

Vielen Dank und herzlichen Glückwunsch zum Kauf des KICKER KXMARLC Zone Controllers! Der KXMARLC verfügt über einen 2-Kanal-Eingang und einen 8-Kanal-Ausgang (4 Stereo-Zonen) und bietet die Funktionalität eines Leitungstreibers mit den Fähigkeiten eines Lautstärkereglers für entfernte Zonen. Das bedeutet, dass das Ausgangssignal doppelt so hoch ist wie die Eingangsspannung und heiß, sauber und bereit für jedes Gerät. Der KXMARLC kann oben oder unten auf einer Oberfläche oder bündig mit einer Oberfläche wie z. B. in Ihrem Armaturenbrett montiert werden. KICKERs audiophile Marine-Linie akustischer und elektronischer Produkte erfordert das absolut Beste an Zubehör und Materialien und ist auf Robustheit ausgelegt, sodass Sie sie in Ihrem Boot oder in jeder Anwendung montieren können, in der Ihre Musik den Elementen ausgesetzt ist. Verwenden Sie diesen Zonencontroller mit einem unserer KICKER-Verstärker für die vollständige Kontrolle Ihres Soundsystems mit höchster Signalklarheit!

Mit freundlichen Grüßen
Steve Irby
President/CEO

Insert the power and ground terminal adapter.

Insertar el adaptador de energía y el de terminal a tierra.

Insérez l'adaptateur d'alimentation et de masse.

Setzen Sie die Leistungs- und Erdungsklemmenadapter ein.

Connect the Source Unit Output to the RCA Input.

Conecte la salida de la unidad fuente a la entrada RCA.

Connectez la sortie de l'unité source à l'entrée RCA.

Verbinden Sie den Ausgang des Quellgeräts mit dem RCA-Eingang.

Connect the zoned RCA Outputs of the KXMARLC Processor Unit to your amplifiers' inputs.

Conecte las salidas RCA divididas en zonas de la unidad procesadora KXMARLC a las entradas de sus amplificadores.

Connectez les sorties RCA zonées de l'unité de traitement KXMARLC aux entrées de vos amplificateurs.

Verbinden Sie die gezonten RCA-Ausgänge der KXMARLC-Prozessoreinheit mit den Eingängen Ihrer Verstärker.

+12V REM IN REM OUT GND
Constant

Connect the +12V Constant, Ground, and remote in/out wiring to the corresponding pins of the terminal adapter.

Conecte el cableado de +12 V, tierra y entrada/salida remota a las clavijas correspondientes del adaptador de terminal.

Connectez le +12V, la masse et le câblage d'entrée/sortie à distance aux broches correspondantes de l'adaptateur de borne.

Schließen Sie die +12V-, Masse- und Remote-Ein-/Ausgangsverdrahtung an die entsprechenden Stifte des Anschlussadapters an.

Connect an RJ-11 cable from the KXMARLC Processor Unit to the corresponding zone of the Remote Volume Controller.

Conecte un cable RJ-11 desde la Unidad Procesadora KXMARLC a la zona correspondiente del Controlador de Volumen Remoto.

Connectez un câble RJ-11 de l'unité de traitement KXMARLC à la zone correspondante du contrôleur de volume à distance.

Schließen Sie ein RJ-11-Kabel von der KXMARLC-Prozessoreinheit an die entsprechende Zone des Remote-Lautstärkereglers an.

Overview

IMPORTANT SAFETY WARNING

PROLONGED CONTINUOUS OPERATION OF AN AMPLIFIER, SPEAKER, OR SUBWOOFER IN A DISTORTED, CLIPPED OR OVER-POWERED MANNER CAN CAUSE YOUR AUDIO SYSTEM TO OVERHEAT, POSSIBLY CATCHING FIRE AND RESULTING IN SERIOUS DAMAGE TO YOUR COMPONENTS AND/OR VEHICLE. AMPLIFIERS REQUIRE UP TO 4 INCHES (10CM) OPEN VENTILATION. SUBWOOFERS SHOULD BE MOUNTED WITH AT LEAST 1 INCH (2.5CM) CLEARANCE BETWEEN THE FRONT OF THE SPEAKER AND ANY SURFACE. KICKER PRODUCTS ARE CAPABLE OF PRODUCING SOUND LEVELS THAT CAN PERMANENTLY DAMAGE YOUR HEARING! TURNING UP A SYSTEM TO A LEVEL THAT HAS AUDIBLE DISTORTION IS MORE DAMAGING TO YOUR EARS THAN LISTENING TO AN UNDISTORTED SYSTEM AT THE SAME VOLUME LEVEL. THE THRESHOLD OF PAIN IS ALWAYS AN INDICATOR THAT THE SOUND LEVEL IS TOO LOUD AND MAY PERMANENTLY DAMAGE YOUR HEARING. PLEASE USE COMMON SENSE WHEN CONTROLLING VOLUME.

TO AVOID POTENTIAL INJURY OR POSSIBLE DEATH FROM FORWARD MOVEMENT OF THE ENCLOSURE DURING ABRUPT STOPS OR ACCIDENTS, THE ENCLOSURE MUST BE PROPERLY INSTALLED AND SECURELY FASTENED TO YOUR VEHICLE. YOU ARE SOLELY RESPONSIBLE FOR SECURELY FASTENING THE ENCLOSURE IN YOUR VEHICLE. MAKE SURE THE MOUNTING SCREWS WILL NOT PUNCTURE THE GAS TANK/BRAKE LINES/WIRING OR INTERFERE WITH ANY MECHANICAL PARTS ON THE UNDERSIDE OF THE MOUNTING SURFACE.

The KXMARLC features 2 channel input and 8 channel output (4 stereo zones), providing the functionality of a line driver with the abilities of a remote zone volume controller. This means the output signal has double the input voltage, and is hot, clean and ready for any device. The KXMARLC can be mounted to the top or bottom of a surface, or mounted flush with a surface such as in your boat's cockpit. KICKER's audiophile marine line of acoustic and electronic products require the absolute best in accessories and materials and are made with toughness in mind, so you can mount them in your boat or in any application where your music is exposed to the elements. Use this zone controller with any of our KICKER amplifiers for total control of your sound system with the highest signal clarity!

Specifications

Model:	KXMARLC
Rated Output Per Channel, All Channels Driven (1KHz, 14.4 VDC, THD < 1%)	8V
Fuse Rating	2A
Frequency response [Hz]	20–20,000
Input Sensitivity (VAC)	4.0 – 0.125
Signal to Noise Ratio @ Rated Power [dB]	100
Input Impedance [ohm}	10K
Output Impedance [ohm]	100K

Note: All specifications and performance figures are subject to change. Please visit **www.kicker.com** for the most current information. To get the best performance from your new KICKER speakers, we recommend using genuine KICKER accessories and wiring.

Processor Unit

Remote Unit

FLUSH MOUNT

UNDER DASH MOUNT

Installation

Power Wiring

1. Disconnect the battery to avoid an electrical short.
2. Connect the ground wire to the GND terminal of the **Quick-Connect Power Plug**.
3. Run power wire to the battery.
4. Install a 2A fuse within 7” (18cm) of the battery and in-line with the power cable connected to your amplifier. Use only KICKER KMPK Wiring Kits or other genuine KICKER marine accessories when installing in marine applications.
5. Connect the power wire to the +12V Constant terminal of the **Quick-Connect Power Plug**.
6. Connect the remote wire from your source unit to the REM IN terminal of the **Quick-Connect Power Plug**.

7. Connect a remote wire from the REM OUT terminal of the **Quick-Connect Power Plug** to the remote input of your amplifier(s). KICKER recommends using the REM OUT of the KXMARLC to turn all amplifiers in the system on to ensure all amplifiers turn on and off correctly.

8. Connect the **Quick-Connect Power Plug** to the KXMARLC Processing Unit.

Audio Wiring

1. Connect the Source Unit Output to the RCA Input of the KXMARLC.

2. Connect an RJ-11 cable from the KXMARLC Processor Unit to the corresponding zone of the Remote Volume Controller.

3. Connect the zoned RCA Outputs of the KXMARLC Processor Unit to your amplifiers' inputs.

Mounting

Choose a structurally sound location to mount your KXMARLC. Make sure the mounting screws will not puncture gas tank/brake lines/wiring or interfere with any mechanical parts on the underside of the mounting surface. A flat surface is required.

Mount the KXMARLC Processing Unit in a location that is convenient for wiring to and from your audio source and amplifiere(s). Do NOT mount the Processor Unit or Remote Volume Controller in a location where it is exposed to direct spray or splash.

Mount the KXMARLC Remote Unit against a surface such as under a dash, or in a cut-out that is flush.

Flush Mounting Cutout Dimensions:
H: 25mm, W: 178mm, D: 62mm

Attach the mounting brackets to the KXMARLC Remote Unit in a Flush Mounting Configuration.

Secure the KXMARLC Remote Unit to the flush mounting surface.

Mount the KXMARLC to a surface, either above or underneath depending on the configuration of the mounting brackets.

If the supplied mounting hardware is not applicable to your installation, some other means of securely attaching the Processor & Remote Units must be used.

Warranty

When purchased from an Authorized KICKER Dealer, KICKER warrants this product to be free from defects in material and workmanship under normal use for a period of ONE (1) YEAR from date of original purchase with receipt. If this product is identified as “Refurbished” or “B Goods”, the warranty is limited to a period of THREE (3) MONTHS from the date of original purchase. In all cases you must have the original receipt. Should service be necessary under this warranty for any reason due to manufacturing defect or malfunction during the warranty period, KICKER will repair or replace (at its discretion) the defective merchandise with equivalent merchandise. Warranty replacements may have cosmetic scratches and blemishes. Discontinued products may be replaced with more current equivalent products. This warranty is valid only for the original purchaser and is not extended to owners of the product subsequent to the original purchaser. Any applicable implied warranties are limited in duration to a period of the express warranty as provided herein beginning with the date of the original purchase at retail, and no warranties, whether express or implied, shall apply to this product thereafter. Some states do not allow limitations on implied warranties; therefore, these exclusions may not apply to you. This warranty gives you specific legal rights; however you may have other rights that vary from state to state.

WHAT TO DO IF YOU NEED WARRANTY OR SERVICE:

Defective merchandise should be returned to your local Authorized Stillwater Designs (KICKER) Dealer for warranty service. Assistance in locating an Authorized Dealer can be found at www.KICKER.com or by contacting Stillwater Designs directly. You can confirm that a dealer is authorized by asking to see a current authorized dealer window decal.

If it becomes necessary for you to return defective merchandise directly to Stillwater Designs (KICKER), call the KICKER Customer Service Department at (405) 624-8510 for a Return Merchandise Authorization (RMA) number. Package only the defective items in a package that will prevent shipping damage, and return to:

Stillwater Designs
3100 North Husband St
Stillwater, OK 74075

The RMA number must be clearly marked on the outside of the package. Please return only defective components. The return of functioning items increases your return freight charges. Non-defective items will be returned freight-collect to you. For example, if a subwoofer is defective, only return the defective subwoofer, not the entire enclosure. Include a copy of the original receipt with the purchase date clearly visible, and a “proof-of-purchase” statement listing the Customer’s name, Dealer’s name and invoice number, and product purchased. Warranty expiration on items without proof-of-purchase will be determined from the type of sale and manufacturing date code. Freight must be prepaid; items sent freight-collect, or Cash-On-Demand, will be refused.

WHAT IS NOT COVERED?

- This warranty is valid only if the product is used for the purpose for which it was designed. It does not cover:
- o Damage due to improper installation
 - o Subsequent damage to other components
 - o Damage caused by exposure to moisture, excessive heat, chemical cleaners, and/or UV radiation
 - o Damage through negligence, misuse, accident or abuse. Repeated returns for the same damage may be considered abuse
 - o Any cost or expense related to the removal or reinstallation of product
 - o Speakers damaged due to amplifier clipping or distortion
 - o Items previously repaired or modified by any unauthorized repair facility
 - o Return shipping on non-defective items
 - o Products with tampered or missing barcode labels
 - o Products with tampered or missing serial numbers
 - o Products returned without a Return Merchandise Authorization (RMA) number
 - o Products purchased from an UNAUTHORIZED dealer
 - o Freight Damage
 - o The cost of shipping product to KICKER
 - o Service performed by anyone other than KICKER

HOW LONG WILL IT TAKE?

KICKER strives to maintain a goal of one week turnaround for all electronics (amplifiers, crossovers, equalizers, etc.) & acoustic returns. Delays may be incurred if lack of replacement inventory or parts is encountered. Failure to follow these steps may void your warranty. Any questions can be directed to the KICKER Customer Service Department at (405) 624-8510. Contact your International KICKER dealer or distributor concerning specific procedures for your country’s warranty policies.

Int. Warranty | Garantía | Garantie

Contact your International KICKER dealer or distributor concerning specific procedures for your country's warranty policies.

Our goods come with guarantees that cannot be excluded under the **Australian Consumer Law**. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

The phrase “Fuel for Livin’ Loud” refers to the uncompromising quality and unyielding energy associated with KICKER car stereos and the fact that we encourage our customers to strive for the best (“Livin’ Loud”) in all aspects of their lives. KICKER loudspeakers and amplifiers are leaders in the mobile audio system market and are therefore the “fuel” for our customers’ car stereo experience. We encourage all of our customers to follow local noise regulations regarding the permitted and appropriate volume levels outside the car.

GARANTÍA INTERNACIONAL *Versión Español*

Comuníquese con su concesionario o distribuidor KICKER internacional para obtener información sobre procedimientos específicos relacionados con las normas de garantía de su país.

La frase “combustible para vivir la vida Livin’ Loud™ a todo volumen” se refiere al entusiasmo por la vida que la marca KICKER de estéreos de automóvil representa y a la recomendación a nuestros clientes de que vivan lo mejor posible (“a todo volumen”) en todo sentido. La línea de altavoces y amplificadores KICKER es la mejor del mercado de audio de automóviles y por lo tanto representa el “combustible” para vivir a todo volumen en el área de “estéreos de automóvil” de la vida de nuestros clientes. Recomendamos a todos nuestros clientes que obedezcan todas las reglas y reglamentos locales sobre ruido en cuanto a los niveles legales y apropiados de audición fuera del vehículo.

GARANTIE INTERNATIONALE *Version Française*

Pour connaître les procédures propres à la politique de garantie de votre pays, contactez votre revendeur ou distributeur International KICKER.

L’expression “ carburant pour vivre plein pot “ fait référence au dynamisme de la marque KICKER d’équipements audio pour véhicules et a pour but d’encourager nos clients à faire le maximum (“ vivre plein pot “) dans tous les aspects de leur vie. Les haut-parleurs et amplificateurs KICKER sont les meilleurs dans le domaine des équipements audio et représentent donc pour nos client le “ carburant pour vivre plein pot “ dans l’aspect “ installation audio de véhicule “ de leur vie. Nous encourageons tous nos clients à respecter toutes les lois et réglementations locales relatives aux niveaux sonores acceptables à l’extérieur des véhicules.

INTERNATIONALE GARANTIE *Deutsche Version*

Nehmen Sie mit Ihren internationalen KICKER-Fachhändler oder Vertrieb Kontakt auf, um Details über die Garantieleistungen in Ihrem Land zu erfahren.

Der Slogan “Treibstoff für Livin’ Loud” bezieht sich auf die mit den KICKER-Autostereosystemen assoziierte Lebensfreude und die Tatsache, dass wir unsere Kunden ermutigen, in allen Aspekten ihres Lebens nach dem Besten (“Livin’ Loud”) zu streben. Die Lautsprecher und Verstärker von KICKER sind auf dem Markt für Auto-Soundsysteme führend und stellen somit den “Treibstoff” für das Autostereoerlebnis unserer Kunden dar. Wir empfehlen allen unseren Kunden, sich bezüglich der zugelassenen und passenden Lautstärkepegel außerhalb des Autos an die örtlichen Lärmvorschriften zu halten.
